Mở Event Viewer

The screenshot shows the Windows Event Viewer interface. On the left, the navigation pane lists logs: Event Viewer (Local), Custom Views, Windows Logs, Applications and Services Logs (with Active Directory Web Server, DFS Replication, and Directory Service selected), Microsoft (with DNS Server, Hardware Events, Internet Explorer, Key Management Service), and Subscriptions. The main pane displays a table titled "Directory Service" with "Number of events: 51". The table columns are Level, Date and Time, Source, Event ID, and Task Category. A tooltip window is overlaid on the screen, centered over an event row. The tooltip has two tabs: "General" and "Details". The "General" tab contains the message: "Active Directory Domain Services is rebuilding the following number of indices as part of the initialization process." It also lists "Number of indices: 1" and "Indices: LCL_ABVIEW_index00000409 + ATTb590468". The "Details" tab shows event properties: Log Name: Directory Service, Source: ActiveDirectory_DomainServ, Event ID: 2013, Level: Information, User: ANONYMOUS LOGON, OpCode: Info, and Task Category: Internal Processing. The tooltip has a "Copy" button and a "Close" button. The system tray at the bottom right shows the date and time as 8:22 AM on 3/8/2024.

6:52 AM 3/10/2024

The screenshot shows the Windows Server 2012 R2 Active Directory Users and Computers management console. In the left navigation pane, 'AD DS' is selected. Under 'sneed.co', 'Canandaigua' is expanded, revealing 'Clients', 'Servers', 'Administrative', 'Groups', and 'Users'. A new 'Users' folder has been created and is highlighted with a blue selection bar. The main pane displays a message: 'There are no items to show in this view.' Below this, a table lists various Windows services running on the server. The taskbar at the bottom shows the date and time as 6:52 AM on 3/10/2024.

Trong Canandaigua , tạo các OU bậc 2 Administrative, Clients, Servers, Users, and Groups.

Quay lại Builtin và kích chuột đúp vào Server Operator để xem thêm thông tin. Vào tab Security và chọn Advanced từ đó ta thấy các mục Server Operator có quyền
5,

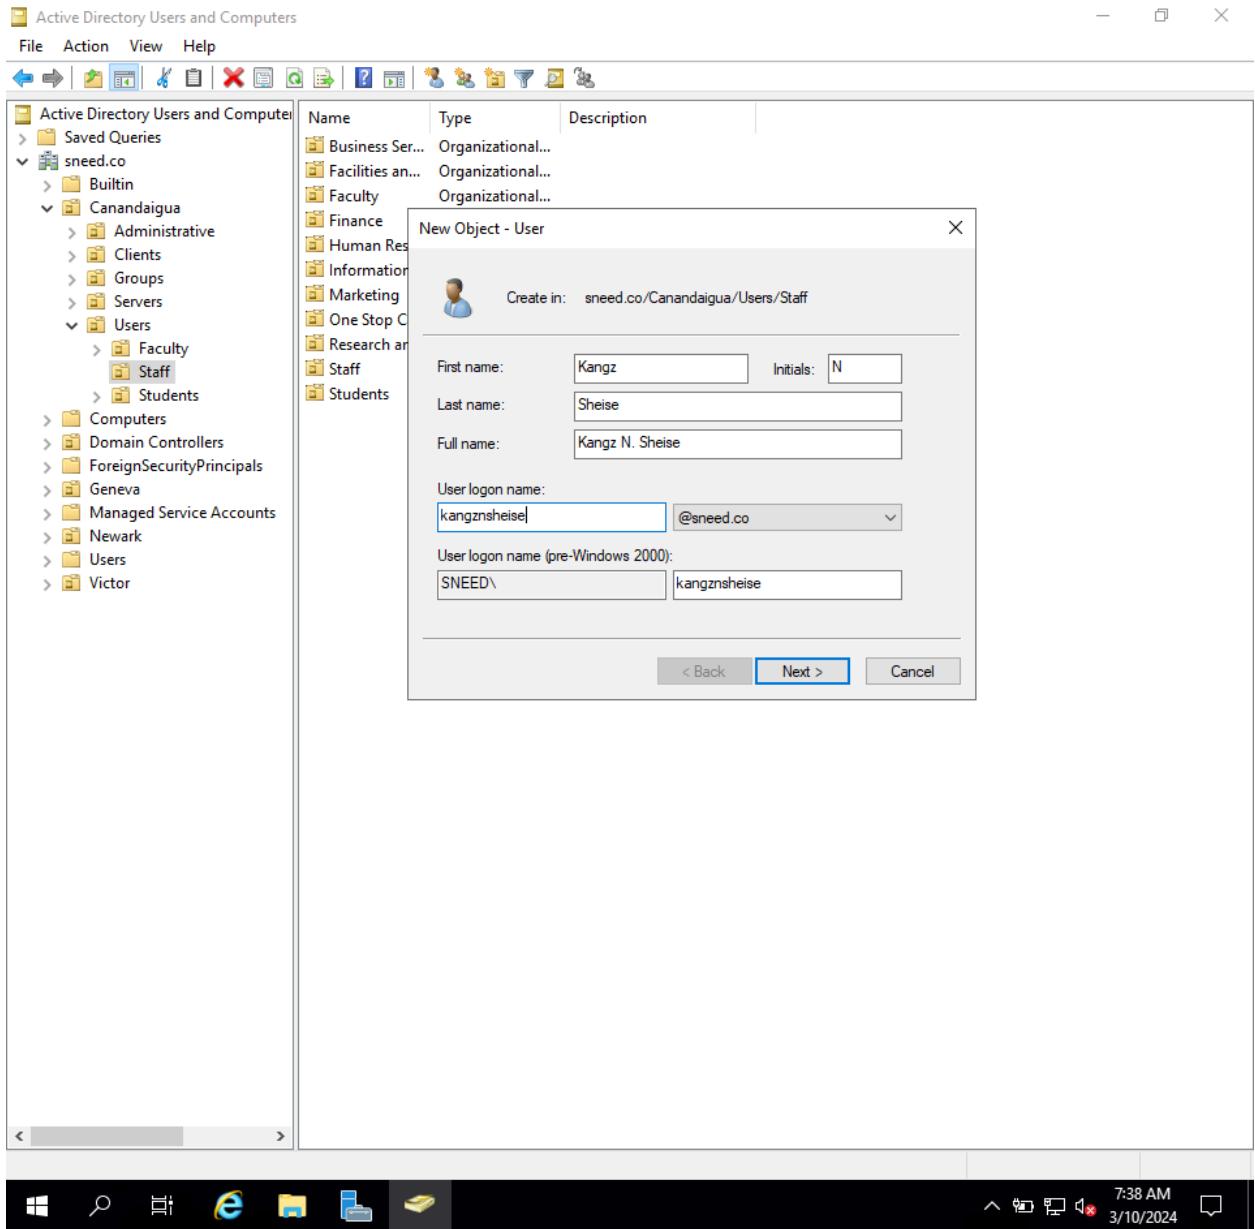

Chuột phải vào Victor OU, chọn Properties rồi chọn tab Manage By. Kích nút Change, chọn Advanced, chọn Find Now rồi tìm tài khoản Administrator

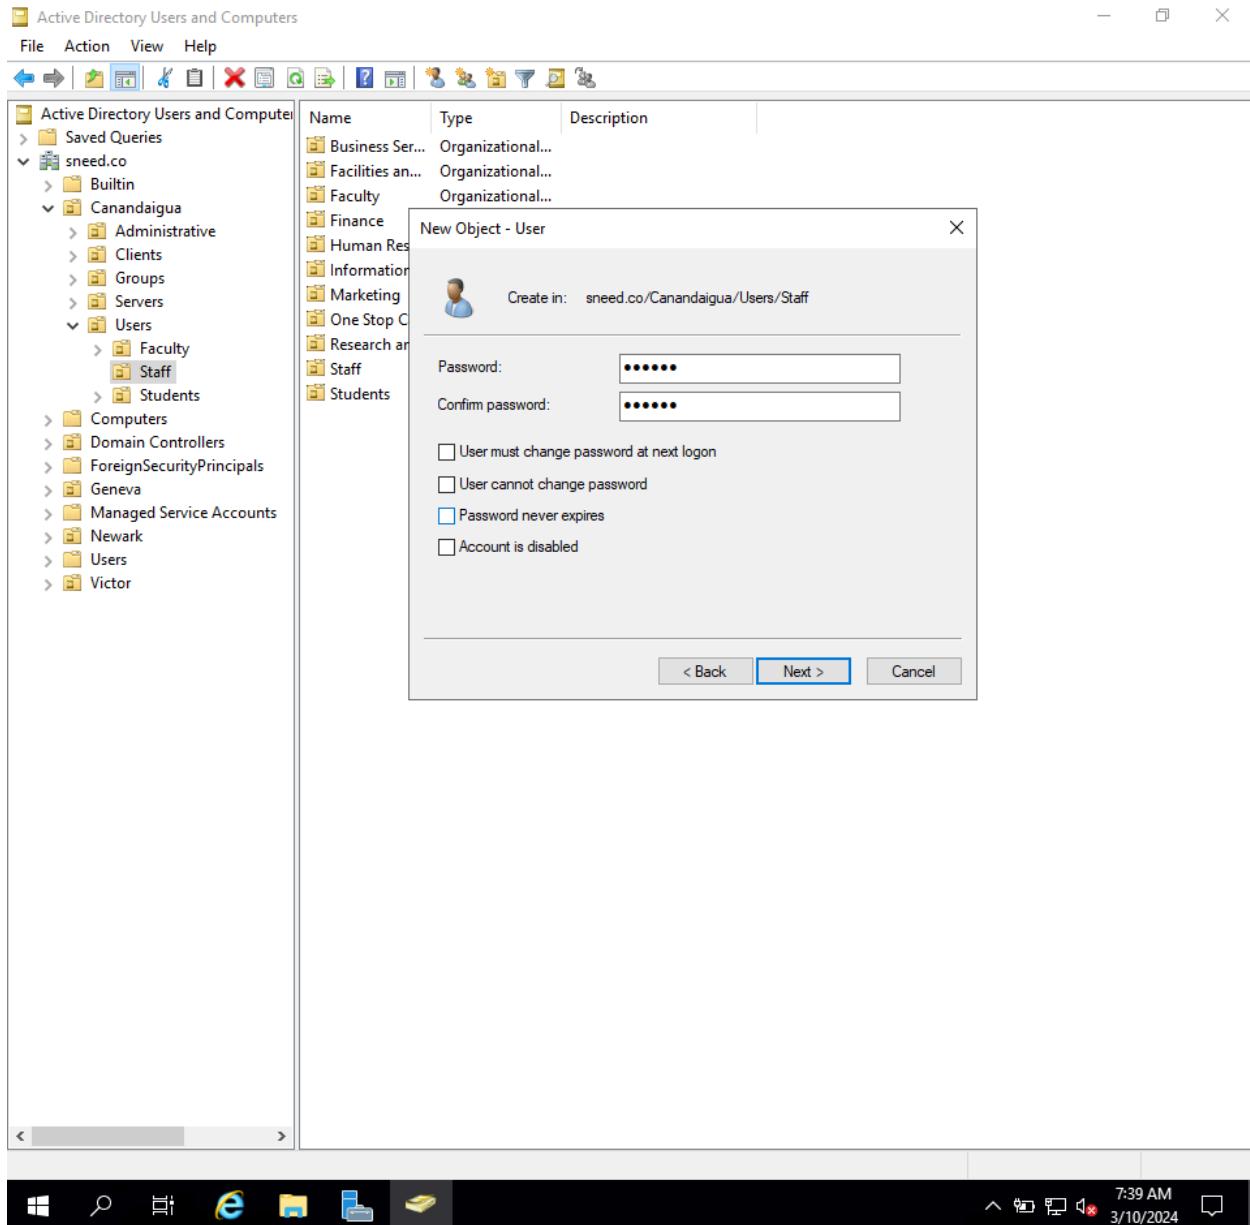

6,

Chuột phải vào pane bên phải trong OU Technology và chọn New và Group. Trong ô Group tạo Group IT level 1. Tương tự tạo group Honors Students trong Students OU và group HR Managers trong Human Resources OU

Lab 14.03:

1,

Trong Active Directory Users and Computers, chuột phải OU Staff trong Users Canandaigua rồi tạo User mới, điền đầy đủ thông tin, đặt mật khẩu và bỏ tích ở User Must Change Password at Next Logon rồi hoàn thành việc tạo user.

2,
